

Fond du Lac Running Club Paul J. Butzen Memorial Scholarship

Paul Butzen was an elementary physical education teacher in the Fond du Lac School District. He coached cross country and track at Goodrich High School. His love of running led him to start the Fond du Lac Running Club, which he led as president until his untimely death in a boating accident in 2004.

Paul's enthusiasm for running and his promotion of health and fitness was unmatched in our community. He loved life and lived every minute of every day. As president of the Fond du Lac Running Club he directed the Walleye Run for 25 years. To honor his memory the running club is offering two scholarships. The amount of the scholarship awarded will be determined by the number of entries in this year's Walleye Run.
